**It is required that ANY animal coming into the Care Center pay a Spay / Neuter Fee prior to release of Ownership, so that animal be Spayed or Neutered within 30 days, unless it's a Puppy that is too young. If the Animal was captured by Animal Control Officer(s), the owner of the Animal also has to speak with that ACO before the Animal is Released in order to give the ACO a chance to address any issues and issue any required citations they feel are necessary. Please contact the Animal Care Center if you have any questions or concerns @ (505) 285-4012. Thank You.**
